## HOUSE ENROLLED ACT No. 1792

---

AN ACT to amend the Indiana Code concerning motor vehicles.

*Be it enacted by the General Assembly of the State of Indiana:*

SECTION 1. IC 6-6-4.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2001]: Sec. 13. (a) A carrier may, in lieu of paying the tax imposed under this chapter that would otherwise result from the operation of a particular commercial motor vehicle, obtain from the department a trip permit authorizing the carrier to operate the commercial motor vehicle for a period of five (5) consecutive days. The department shall specify the beginning and ending days on the face of the permit. The fee for a trip permit for each commercial motor vehicle is fifty dollars (\$50). The report otherwise required under section 10 of this chapter is not required with respect to a vehicle for which a trip permit has been issued under this subsection.

(b) The department may issue a temporary written authorization if unforeseen or uncertain circumstances require operations by a carrier of a commercial motor vehicle for which neither a trip permit described in subsection (a) nor an annual permit described in section 12 of this chapter has been obtained. A temporary authorization may be issued only if the department finds that undue hardship would result if operation under a temporary authorization were prohibited. A carrier who receives a temporary authorization shall:

- (1) pay the trip permit fee at the time the temporary authorization is issued; or
- (2) subsequently apply for and obtain an annual permit.

(c) A carrier may obtain **a an International Fuel Tax Agreement (IFTA) repair and maintenance permit to:**

- (1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
- (2) return to the same state after the repair or maintenance is completed.

The fee for the permit is forty dollars (\$40). The permit is an annual permit and applies to all of the motor vehicles operated by the carrier. The permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the permit. A carrier may operate a motor vehicle under the permit in lieu of paying the tax imposed under this chapter. **The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying the quarterly motor fuel tax imposed under this chapter, a carrier may pay an annual IFTA repair and maintenance fee of forty dollars (\$40) and receive an IFTA annual repair and maintenance permit. The IFTA annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IFTA annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IFTA annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23). The report otherwise required under section 10 of this chapter is not required with respect to a motor vehicle that is operated under the an IFTA annual repair and maintenance permit.**

- (1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
- (2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying apportioned or temporary IRP fees under IC 9-18-2 or IC 9-18-7, a carrier may pay an annual IRP repair and maintenance fee of forty dollars (\$40) and receive an IRP annual repair and maintenance permit. The IRP annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a
